

FirstUp Early Childhood Fellowship Program 2019 Application

The First Up Early Childhood Fellowship, launched in 2009 to train a new generation of early childhood leaders, is designed to educate, connect, and support emerging leaders working to effect positive change in the field of early childhood. Participants for the 2019 cohort will be selected on a competitive basis and must be able to commit to five two-day sessions, currently planned for four Fridays/Saturdays during the course of the year and one mid-week overnight stay in Harrisburg. Dates will be finalized in consultation with participants, and site costs will be covered by the Fellowship.

Over the course of the program, participants will be expected to participate in 90 hours of group work or its equivalent, engage in our statewide advocacy campaign, and follow through with advocacy activities in their local communities.

The Fellowship can be used for professional development in a variety of ways—Act 48 credits, Directors Credential renewal, continuing education credits, and PA Keys professional development hours—with undergraduate and graduate credit a future possibility. In addition, fellows will meet and work with the ECE leadership in the state, be invited to various local and statewide ECE tables, and be offered other leadership opportunities as appropriate.
