

GET READY FOR KINDERGARTEN 2021-22

Entering Kindergarten is a big change for children and for families. Attend a short information session to learn what you will need to do in the coming year.

**Spend less time
wondering things
like:**

Is my child ready
for Kindergarten?
Am *I*?
What program
should I choose?
Where do I find the
resources I need?

And spend more
time creating
wonder with your
little one. We're
here to help!
