PHLpreK Reopening Support Mini-Series

This professional development opportunity is a series of web-based professional development sessions to support Providers during the reopening phase. These sessions will provide guidance on transitioning back to caring for children in PHLpreK programs, while also addressing staff wellness. Each session will discuss CDC recommendations and ODCEL expectations for child care settings. All sessions will take place on Thursdays at 1:00pm via Zoom.

Session 1: Applying CDC/OCDEL Guidance in Your Program: Drop-off & Pick-up Procedures, Wearing Masks, Cleaning Sanitizing, and Disinfecting Procedures...

Date: June 11, 2020
Time: 1:00-2:00pm
Description: OCDEL has referred to CDC guidance on how to care for children during COVID-19. During this session, we will review the guidelines suggested for drop off/pick up procedures as well as the use of masks and the importance of cleaning and disinfecting to reduce the likelihood of the transmitting the virus. We will discuss ideas, strategies and troubleshoot concerns around implementing them in PHLpreK programs.

Session 2: Taking Control of Emotions and Supporting Child Resiliency

Date: June 18, 2020
Time: 1:00-2:00pm
Description: Participants will gain knowledge of helpful strategies that meet essential social and emotional needs of children as they readjust to program re-openings and classroom environments. Teachers will learn healthy and practical approaches to support children in making healthy connections with staff, classroom environments, and routine changes due to COVID-19.
