

Early Intervention Services During COVID-19

Infant/Toddler and Preschool

Tele-Intervention services are now available! Services can be provided by phone and/or video technology. Your Early Intervention program can help you with ways to get services.

To Begin Tele-Intervention Services:

Connect with your local program by calling your Service Coordinator or Local EI Program Representative

Need Information to Contact Your Local Early Intervention Program?

Call the CONNECT Helpline:
1-800-692-7288

If you are unable to connect with your EI program, or you have difficulty starting Tele-Intervention services:

Please email the Office of
Child Development and
Early Learning:
